Laptop Price Predictor

Predict the estimated laptop price using Machine Learning

 Brand

Apple

 Screen Size

15.66

 Laptop Type

2 in 1 Convertible

 Resolution

2880x1800

 RAM (GB)

32

 Processor

Intel Core i7

 Weight (kg)

1.90

 GPU

Intel

 Touchscreen

Yes

 SSD (GB)

1024

 IPS Display

Yes

 HDD (GB)

512

 Operating System

Windows

Laptop Configuration

Predict Laptop Price

**Estimated Laptop Price: ₹
135,444**

Prediction Result

Estimated Price

Category

₹ 135,444

Premi...

The predicted price is an estimate based on the selected laptop specifications.
